16 October 2021

World Food Day

Our actions are our future.

Better production, better nutrition, a better environment and a better life.

Become

#FoodHero

with the CommunicAction campaign

#Sustainabilitywords

Fill in the questionnaire on

#sustainablemediterraneaneating

***to evaluate the adherence to sustainable and
environmentally friendly food models***

and

send a #hashtag on the theme

sustainability is...

***you too will contribute to the
collection of the thousand and more hashtags
from all over the world***
