The Education group of Italian Society of Human Nutrition (SINU), on the occasion of World Food Day (WFD 2022), to be held on Saturday 16 October 2022, for the dissemination of the FAO message "better production, better nutrition, a better environment and a better life", proposes the event

***For a greener lifestyle***

The Young FoodHeroes will become builders of the common good also through the compilation and promotion of a questionnaire among peers to evaluate the awareness of a greener lifestyle, as part of the urban action of the FAO campaign. The data obtained will be used in a completely anonymous and confidential manner to produce scientific work. The action of our "Young Food Heroes" will help to train responsible and aware citizens
